Overview of course

This qualification reflects the role of individuals who apply project management skills and knowledge in a wide variety of contexts. The job roles that relate to this qualification may include Contracts Officer, Project Administrator and Quality Officer.

Individuals in these roles work autonomously, and might be members of a project team, with no direct responsibility for overall project outcomes. Primarily, these roles would support wider project

operations. They may use project tools and methodologies selectively to support organisational or business activities. The latest release of the qualification and packaging rules can be found at the following link:

<https://training.gov.au/Training/Details/BSB40920>

Who should apply for this course and why?

Training and assessment information

This course is delivered face-to-face in a classroom-based setting, as well as through structured self-study.

The timetable for this course will be advised in your Offer Letter and Student Agreement. You are required to attend classes for 14 hours per week,

as well as complete 6 hours of structured self-study per week for 40 study weeks (4 terms of 10 weeks each). Holiday breaks are as indicated in your timetable.

Class sessions include a mix of theory and practical activities with a focus on creating a real-life

workplace. In addition to classroom based learning and structured self-study, you will also need to complete

approximately 5 hours of additional, unsupervised study per week including general reading and research for assessments.

You will also need to complete assessments for this course which may include:

- Written questions
- Projects
- Presentations
- Reports

- Role plays/observations

At the beginning of each unit, your trainer and assessor will outline the assessment tasks that must be completed.

Your classes will be conducted in modern classrooms, and you will be able to access Wi-Fi. There are also areas for you to relax, as well as conduct additional study.

You will be provided with a Student Guide relevant to each unit in your course.

Course progress and attendance

Satisfactory course progress and attendance is very important in order to meet visa requirements. Please read the International Student Handbook carefully for more information. You will also be provided with further information about course progress and attendance requirements at your orientation.

Student support

We offer the following in relation to support and welfare.

- one-to-one support from the trainer/assessor
- support with personal issues
- access to additional learning resources
- reasonable adjustment in assessment
- social events
- information about external sources of support.

You may not have studied for a while, may have English as a second language or need additional assistance with literacy or numeracy. We will identify any additional support needs you may have at the time of application and enrolment and may prepare a Student Support Plan for you based on those needs.
